W.H. Paine  
Dep. Aud. Genl.

Be it known by these presents that we Wm<sup>o</sup> Thornton civil engineer and surveyor who made this map of Careyville for the proprietors thereof and Wm<sup>o</sup> Smith, W. Coterhout and Wm<sup>o</sup> Eden. Hughton for, the said proprietors all of the County of Kent and State of Michigan do hereby certify and declare that the said Careyville has been surveyed laid out and this map made thereof, that the said map was made by the said Wm<sup>o</sup> Thornton and was caused to be made by the said proprietors, that this map is a true map of said Careyville, as the same has been so surveyed and laid out, and that the land comprised in said map of said Careyville is described as follows to wit: Beginning at the southwest corner of section fifteen (15) of town nineteen (19) north of Range twelve (12) west of Lake County, Michigan) running thence north one (1) degree West eight hundred and eighty nine and eight tenths (889.8) feet to the north boundary of North street in said map, thence south eighty nine (89) degrees West along the north boundary of North street twenty six hundred and forty (2640) feet to the center line of South street, thence south one (1) degree East eight hundred (800) feet to the south line of said section fifteen (15) thence south eighty nine (89) degrees East on the south line of said section fifteen (15) twenty six hundred and forty (2640) feet to the place of beginning. And we do further declare that all the streets are particularly set forth and delineated on said map, by their true magnetic course, lengths, widths, and names, by writing and by figures upon that portion of said map intended for, and hereby dedicated to that use, and that the blocks are numbered by large figures near the center of each block, and that the lots in each block are numbered by smaller figures placed near the center of each lot, and that the precise length and width of each lot are marked upon the sides thereof, and plainly defined by figures, the figures on this map denoting the lengths and widths of streets and lots represent feet and parts of feet.
